## **Part-Time Volunteer Opportunity: Attorney To Recruit and Coordinate Pro- and Low-Bono Legal Services for Human Trafficking Survivors**

The University of Maryland Support, Advocacy, Freedom, and Empowerment Center for Human Trafficking Survivors (“SAFE Center”) is seeking a public service-oriented attorney interested in volunteering on a part-time basis to help us grow our pro- and low-bono network of Maryland-based lawyers that practice in areas of law that survivors of sex and labor trafficking need to rebuild their lives.

### ***About the SAFE Center***

The SAFE Center is a direct service, research, and advocacy center on human trafficking. We provide comprehensive social, legal, mental health, crisis intervention, and economic empowerment services to survivors of sex and labor trafficking of any age, gender, or nationality. The SAFE Center’s mission is rooted in social justice and its active efforts to fight systemic racism as it recognizes this as one of the causes of human trafficking. Located in College Park, Maryland, we are currently delivering client services remotely and through online platforms as we phase in a return to in-person services, consistent with public health guidelines due to COVID-19. More information is available on the SAFE Center’s website at [www.umdsafecenter.org](http://www.umdsafecenter.org).

### ***Pro- and Low-Bono Attorney Network***

Part of the SAFE Center’s core mission in helping trafficking survivors to rebuild their lives is to provide comprehensive legal services. In-house, the SAFE Center provides critical legal immigration services and crime victim’s rights representation. Survivors need a myriad of other legal services to remove barriers to their ability to move forward with their lives. This volunteer position would build on the pro- and low-bono network the SAFE Center has initiated with the goal of securing services, particularly on Maryland state law issues, for our clients in the following areas:

**Family Law:** Divorce; custody; securing child support; domestic violence / civil protection orders; guardian ad litem; advocacy within the child welfare system

**Employment Law:** Wage and hour violations; employment discrimination

**Civil Rights:** Enforce constitutional civil rights to due process, equal protection, and right against unreasonable search and seizure; protect against housing discrimination

**Public Benefits:** Access to public benefits like Medicaid, Medicare, Social Security Insurance, and others; access to crime victim compensation

**Housing:** Landlord / Tenant; access to public housing

**Criminal Justice:** Criminal defense for survivors charged with prostitution and related crimes; vacating prostitution-related convictions

**Consumer Protection/Bankruptcy:** To help survivors clear debt they were forced to incur by their traffickers

**Tax:** To help survivors understand their rights and responsibilities regarding tax payment

Attorneys who join our network may be called upon to advise, represent, or otherwise assist a client depending on their time and resource availability, barring any conflicts.
